INTRODUCTION

A Legacy Created Through Commitment

Assigning the right man with the right job promises productivity and growth. World Star Holding understands this very fact and meets the clients' manpower requirements by offering skilled labourers and talented employees. World Star Holding has been keen to offer workers the requisite knowledge, experience and expertise for varying construction, renovation and maintenance requirements around UAE. We are proud to find that the team recruited by us plays a pivotal role in infrastructure development, business advancement and overall growth of the country.

04

1974

05

ABOUT US

We have been delivering to the manpower needs of companies from different sectors in the UAE for more than one and a half decades. Our committed efforts to handpick qualified individuals for specific tasks have been the key factor that made us one of the top entities in the field. We cater for all the regions across the country. Offering the best workforce for both blue collar and white collar jobs, we support companies involved in different commercial and industrial activities.

World Star Manpower Solutions observes the extant regulations and policies laid down by the Ministry of Human Resources & Emiratisation while performing our services in the country. Thus making our services a cut above the rest by providing both skilled and unskilled manpower as required by specific industries and commercial firms.

VISION

We envision strong and steady growth by delivering unwavering support to our clients. Eventually making our organization the most reliable partner for entities from all the sectors. We expect our flawlessly designed manpower planning, recruitment, and management to serve the maximum number of companies around the Middle-East.

06

MISSION

Our mission is to turn into one of the top manpower solutions firms across the globe. Spreading our wings beyond boundaries, by providing skilled and unskilled men for white collar and blue-collar jobs, we focus to be one of the top internationally recognized manpower solutions firms.

Mr. Nishad Hussain

Chairman, World Star Holding

A visionary leader and committed entrepreneur, Mr. Nishad Hussain has been a renowned name in the UAE business spectrum. He makes it a point to go the extra mile, to achieve the intended result and deliver optimal services to the clients. Diversification of the investment and introduction of new focus areas has been his brainchild. Constantly motivating the team and encouraging them to give a little extra has been the driving force behind the growth of World Star Manpower Solutions.

Ms. Haseena Nishad

Managing Director, World Star Holding

Ms. Haseena Nishad has been the pivotal person in the growth of World Star Holding since 2008. Subsequent to her relocation to this promising land, UAE, Ms. Haseena has been involved in decision-making & implementing novel initiatives. A mother, entrepreneur & philanthropist, she maintains a healthy balance between the multiple roles she handles. The epitome of mompreneurship, she has been a motivation for women and youth. World Star Manpower Solutions is scaling new heights of success under her brilliant leadership.

07

AREA OF
EXPERTISE

BLUE COLLAR

MANPOWER SERVICES

Workforce to Shoulder Your **Growth**

Availability of skilled and unskilled workforce has been a concern for companies in construction, maintenance and renovation industries. Lack of adequate manpower has been hampering the optimal development prospects. The UAE's visionary regime has been shifting the prime focus from oil and gas-based industries to other sectors. A plan to fortify the economy by becoming the global leader in varied business fields. World Star Manpower Solutions could serve many companies from diverse industries, by offering blue-collar manpower on a long-term and short-term basis.

WHITE COLLAR

MANPOWER SERVICES

Handpicked Skills, Assured Performance

Talented professionals with keen interest and efficiency are the mainstay of any organization. We make it a point that shortage of manpower should not impede the development of any company. World Star Manpower Solutions provides qualified men and women, who would be instrumental in the success of the firm. We mobilize employees, with the qualifications the client seeks, in the shortest possible time. Our white-collar manpower services has been the power source behind the enriched performance of many firms across the UAE. Meeting the needs of the entities in a quick time, ensures uninterrupted functioning.

CIVIL

MANPOWER SERVICES

Our Men will Construct Your Dreams

Civil constructions are the essential facet for the development of any region. Both skilled and unskilled workforce under the guidance and supervision of architects, designers and developers should work in tandem to conclude the construction in the scheduled period. We have been the leading manpower solutions firm serving companies in the civil construction sphere. Our database consists of men with qualifications to perform varying requirements during infrastructure development activities. We can help you with any development needs, including laying out new roads, erection of skyscrapers, deployment of new bridges, design and build of dams, renovation of existing structures and whatnot.

OUR CIVIL WORKFORCE INCLUDES

- | | | | |
|----------------|--------------|-----------------------|-----------------|
| Civil Helpers | Steel Fixers | Finishing Carpenters | Wooden Painters |
| Spray Painters | Riggers | Shuttering Carpenters | Cleaners |
| Painters | Masons | Scaffolders | Civil Foremen |

MECHANICAL

MANPOWER SERVICES

Skilled Technicians to Handle Your Mechanical Works

Installation, maintenance and repair of mechanical systems require qualified manpower with adequate experience. We offer a team of experts with qualifications in the relevant fields, who would become a key player in your company.

We have been keen on recruiting workforce only after exhaustive analysis of their background and evaluation of their skills. This judicious approach has helped us in delivering what we promise.

We provide manpower for all the works in a project including plumbing, fitting, fabrication, and roofing. We offer a team of efficient employees, on both long-term and short-term contracts.

FIT-OUT WORKS

We have men experienced in flooring, furnishing, painting, gypsum board installation, and all the tasks on construction and infrastructure development projects. They would shoulder the responsibility of completing the work on time.

Our team puts wholehearted efforts to support the clients in the best possible way. Having a dedicated attitude, their efficient work would help you to conclude the project in the decided time frame.

World Star Manpower Solutions will provide you with skilled men with optimistic traits, who would become an integral part of your mission. We offer any number of labourers according to your needs, at the most affordable rates. Our team of fit-out workers include the following skilled professionals:

- Gypsum Carpenters
- Finishing Carpenters
- Finishing Painters

Professionalism on Every Work

Proven Expertise to Perform the Tasks

The world economy directly depends on the oil and gas industry. Fluctuations in crude oil prices can impact the budget of every country. It can lead to inflations and severe damage to the economic infrastructure. Our men can help you maintain the production level by delivering you a seamless service. We have qualified and trained manpower with experience in the oil and gas industry. Furthermore, we assure a quick turnaround of the manpower, as per your directives. The hassle-free process would be beneficial for you to focus on the production statistics and other business-related needs.

Our company understands the growing demand for professional employees with expertise in the oil and gas industry. We can be your right support to meet manpower requirements without any lacunae. The proficient professional team with us include:

- | | | | |
|----------------------------------|---------------------------|--------------------------|-------------------------|
| Operational Managers | Pipeline Personnel | Project Engineers | Inspectors |
| Planners and Schedulers | Safety Personnel | Technicians | Supervisors |
| Procurement Professionals | Technical Helpers | GPS Operators | Drivers |
| Contract Administrators | Process Engineers | DCS Operators | Cost Controllers |
| Design Engineers | Drilling Personnel | Offshore staff | Draftsmen |

CLEANING SERVICES

We offer professional cleaners with ample experience in the field. Our team, under the supervision of a dedicated manager, would turn your premises clean and shining.

Hygiene has become the paramount factor for public and private spaces nowadays. The pandemic scenario has amplified the necessity to maintain healthy surroundings.

We use selected cleaning solutions and innovative cleaning accessories to make every nook and corner perfectly clean. The team for the service undergoes exhaustive training and briefing before being employed on the job. We have exclusively trained manpower to undertake cleaning activities of varying premises.

17

Manpower for Any Need, Anytime, Anywhere

Blue-collar workers with a committed attitude are the soul of every construction, infrastructure development, or industrial project. The shortage of reliable men with capability has been impacting many projects.

World Star Manpower Solutions can help you with the blue-collar workforce for any kind of job requirements. We assure comprehensive support to meet the project timelines.

We have an extensive reach across the UAE, to offer exceptional support to our clients.

BANKING

Qualified Team for Your Banking Jobs

A banking job needs trustworthy employees, with qualifications in the relevant field. Imagine the complications that may arise when you start looking for the right team for the white-collar job.

We can resolve your concern. We are proud to have a pool of experienced and knowledgeable workforce ready to take up the responsible banking job. They can be your best bet, who would manage and execute the plans and render efficient functioning of the bank.

Understanding the banking sector thoroughly, our team would generate a positive outlook for the bank by hospitable interactions with the clients, the performance of the tasks without any glitches and the conclusion of the activities as scheduled.

18

EDUCATION

Education is the Strength of Every Nation

Our talented and trained educators, teachers, counsellors, teaching assistants, tutors and other professionals from the education sector, have been the mainstay of many educational institutions.

We have teachers with expertise in exclusive pedagogical methodologies to perform the teaching in the best way. It would elevate the quality of your educational institution and spread the word about it to farther distances.

19

HEALTHCARE

Healthy Citizens make a Country Healthy

Healthcare professionals with immense knowledge and experience in the industry are essential for every country. Setting up hospitals, clinics, diagnostic centers, laboratories and medical research centers need a team with in-depth knowledge in the relevant field.

We are ready to deploy healthcare professionals, according to the client's demand, in a quick time. Let it be for short-term or long-term, the healthcare team would render you optimal support during their tenure with your organization.

20

21

IT

Be a Part of the Digital Revolution

A known fact is that the country with prowess in digital technology will have excellent economic growth in the near future. Understanding this aspect, the UAE has already shifted the focus from oil and gas to the digital sphere.

Skilled IT experts, developers, web designers, coders, app developers etcetera are going to transform the face of the country. We have recognized this quantum shift well ahead of our counterparts. We could recruit experts from the digital world, for providing inimitable service to our clients.

We guarantee an excellent panel of experts to support the design, development, and maintenance of your IT plans.

MARKETING

Plan, Promote, Publicize and Grow

Marketing is vital for the growth of any entity. Online and offline marketing is important to generate a buzz about the brand and connect the right customer with it.

Marketing professionals with a broad understanding of the market and out of the box advertising ideas are instrumental in formulating promising campaigns. We can provide a selected marketing team to meet your online and offline marketing needs.

Our team would be a pivotal part of your advertising campaigns, to create word of mouth publicity and establish a strong identity for the brand.

FACILITY MANAGEMENT SERVICES

Experienced Team for Efficient Services

We assure you of comprehensive support throughout. WSH professionals would handle all the tasks like disinfection, sanitation, cleaning, security, and maintenance. To keep your premises healthy, safe and germ-free.

Offering reliable and trusted services since inception, we earned a credible identity for facility management services across the UAE.

FACILITY MANAGEMENT

Let us manage your facilities professionally. We have qualified and experienced professionals capable of delivering exceptional services. Our team has been serving varying sectors.

INCLUDES

- Aviation
- Hospitality
- Banking
- Retail
- Telecom
- Residential
- Commercial Industries

Why Choose Us?

We focus on delivering trustworthy and cost-effective services. Our manpower solutions system has been set up focusing on this aspect. Garnering widespread publicity and approval, through committed performance, we became one of the leading workforce providers in the UAE.

Our team of blue-collar and white-collar professionals and skilled and unskilled laborers will shoulder the responsibility and help accomplish the project as per the schedule. Offering the fastest turnaround and 24x7 support, we are the ideal one for your manpower needs.

Dedicated to providing comprehensive services, we provide vocational training to the workers, supply them with food, accommodation and transport and make sure that they are compliant with all the latest industry standards. World Star Manpower Solutions stands for quality, performance and affordability.

How do
We

work

Discussions

On reaching out to us, our professionals will undertake a detailed discussion with you. This would enlighten us regarding your manpower requirements, including the specific qualifications, the number of labours, the time duration and other subtle aspects.

Analysis

Our core team would examine each of the handpicked professionals before deploying them for your project. The one-to-one interview and interaction would be useful for obtaining a clear insight into the individuals and their capabilities.

Support

Our support would be constant throughout the entire project period. The team from World Star Manpower Solutions would maintain a close interaction and ascertain the scenario frequently. We would assist you in case of any additional needs during the period.

Sourcing

We would identify the qualified personnel from our database. Only the most suitable ones, according to the requirements you shared during the discussions, would be chosen. We assure you that the workforce we provide would be the soul of your project.

Introduction

We offer comprehensive services and make sure that the workforce gets a clear idea about the project, the company they are going to work for, the time frame and other relevant details. We would introduce the men to you on the first day.

QUALITY POLICY & ACCREDITATIONS
